Remarks

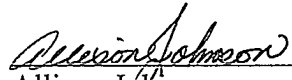

Applicants thank the Examiner for granting a request for a teleconference interview to discuss the then outstanding Office action in the above-captioned application. A teleconference interview was held on June 19, 2007, with Examiner Shibuya, applicants' representative, Allison Johnson, and David E. Wolf. Reasons why the Rigler et al. reference does not teach the method of claim 1 were discussed. Applicants directed the Examiner's attention to the figures as an example of support for the language of claims 132-137. The Examiner agreed to review the same. No agreement regarding patentability of the pending claims was reached.

The claims now pending in the application are in condition for allowance and such action is respectfully requested. The Examiner is invited to telephone the undersigned should a teleconference interview facilitate prosecution of this application.

Please charge any additional fees owing or credit any over payments made to Deposit Account No. 501,171.

Respectfully submitted,

Date: July 19, 2007
